# VIRTUAL EVENT, REAL FOOD

## PRIVATE, CUSTOM VIRTUAL EVENTS FOR YOUR TEAM

### Make work +74% more exciting

Thank your crew, break up the next four-hour conference call about EBITDA, or—dare we say it?—perhaps even have a bit of fun with your cohort.

### How it works

- 1 Our Virtual Event Concierge will work with you to pick your time and date, the foods you'd like, and help coordinate all of the logistics.
- 2 From our experience, it usually takes at least two weeks from the point of "Let's do this!" to having the event.
- 3 We usually keep each hour-long event to 50 people at most. If you have more than that we're happy to host multiple sessions.
- 4 Your participants will receive their food and any pre-event instructions a couple of days ahead of the big event.
- 5 Our host and chat moderator will guide you through the virtual event where you will taste, learn about, and perhaps even cook great food.
- 6 Price is the cost of the food for each person, plus a \$300 host fee.

## VIRTUAL EVENT IDEAS

MOST  
POPULAR!

### TASTE CHEESE

Choose cheeses plus some key accompaniments to assemble your perfect collection. During the event, our cheese expert will guide you through a tasting to share stories of where each cheese comes from, how they're made, and ways to use them that might surprise you.

### GET SNACKING

Enjoy a meal of ready to eat foods like cured meats, cheeses, crackers, pickles, and more. Everyone will get plenty of food for a full, snacky meal during the event, plus leftovers for extra nibbling. During the event, our expert guide will share insights into what makes each of these foods so flavorful.

### SOMETHING SWEET

Feed your group's sweet teeth with a collection of candies, confections, and baked goods. We'll help you curate a mix of all the right sweet notes. During the event, our expert will set the scene with a discussion on the history and the makers of each food.

Call us to suss out the specifics for your event.

### APPRECIATION GIFT BOX

Hearing "thanks!" is nice. Eating "thanks!" is even better. Our fun, colorful gift box comes stuffed with a coconut macaroon-topped Black & White Brownie and a no-nut Black Magic Brownie, plus three Mini Cookies: Oatmeal Raisin, Ginger Jump Up Molasses, and Sky's the Lemon.

## MOST POPULAR GIFT BOX

### The Weekender Gift Box

Our top selling gift box for civilians is, perhaps not surprisingly, our top seller for businesses too. We have this crazy idea that we should send the same food to your clients as we would to your grandma. The problem is, with most business gift companies you can't. The food you find for corporate gifts is drastically different than what humans normally eat. It's got dumbed down flavor. Shrunken little jars of mysterious goo. Scary old popcorn. Waxy chocolate.

The Weekender suffers none of those problems. It's packed full of foods I keep at home on a regular basis and sweets I like to eat when I'm in the mood. They're all full sized versions, full of flavor. When you send this to a client it never looks like you skimmed, never looks like you cut corners.

The Weekender, hand assembled in our cartooned gift box with a loaf of Zingerman's Artisan Bread, a no-nut Black Magic Brownie, a walnut-studded Magic Brownie, Zingerman's Peanut Brittle, Holy Cow Beef Sticks, Zingerman's Sea Salt Potato Chips, and a nosh-er-sized version of our extremely popular, extremely good Sour Cream Coffee Cake.

### Cinn-ful Cinnamon Rolls

Almost anyone can make a cinnamon roll smell good while it's baking, even among the cell phone kiosks at the mall. Unfortunately, most have little more than aroma to offer. You won't taste much beyond sugar and cinnamon. The real challenge is to fashion a cinnamon roll that tastes as good as it smells. These fit the bill. Warm them up, break one open and put your nose up close. You'll smell sweet butter, Indonesian cinnamon, real vanilla. But the real treat is next. Take one bite. That's all you'll need to forget the litany of cinnamon roll disappointments life has dealt you. With serving instructions.

# THE COFFEE CAKE THAT CHANGED THE GAME

**"DUE TO CURRENT BUSINESS TRENDS 99% OF OUR AGENDA TIME WILL BE SPENT EATING COFFEE CAKE."**

## OUR BEST SELLERS

Coffee cakes have been our best selling gift since we started mailing food in the early 1990s. Having tried a truckload of coffee cakes in the past two decades I can say quite honestly that I haven't tasted one I like better. I think the same goes for a lot of our customers—many folks return year after year to send this gift and this gift only. It's substantial, it's honest, it's straightforward, and it's really good. I guarantee you really can taste the difference.

## THE ICING IS NOT ON THE CAKE

Zingerman's coffee cake is made without icing. This makes it look like an oddball compared to most coffee cakes out there. Nothing against icing—I like a cupcake as much as the next person—but too many times icing is a ruse. It's an atmospheric distraction. It diverts your attention from the sub-par ingredients that make the mass below. Plus, for many folks, me included, it's too sweet. Our coffee cake tastes like rich sour cream, butter, toasted walnuts and cinnamon. There's just enough sweetness, which makes it go down easily, especially with coffee.

## WHAT ABOUT THAT PAN?

You can't make a Zingerman's coffee cake without a bundt-style pan, the pan with the hole in the middle. It conducts heat to the interior of the cake—if the hole wasn't there, the middle would stay raw and collapse in a soggy puddle. The bundt pan we know was created by Nordic Ware in Minnesota in the 1950s at the request of Rose Joshua and Fannie Schanfield, two members of Minneapolis's Hadassah Jewish women's group, who were nostalgic for dense European cakes.

# ABOUT ZINGERMAN'S

## WHAT IS ZINGERMAN'S, ANYWAY?

Zingerman's is a family of small food-related companies in Ann Arbor, Michigan. We focus on traditionally made full flavored foods. We are funky, fun and sometimes a little strange. Most of all, we love to share great food with everyone.

Zingerman's Deli opened in March of 1982 with a staff of two, a small selection of great tasting specialty foods, a host of traditional Jewish dishes and a short sandwich menu.

Today our deli is known as a mecca for great food. Zingerman's is now several distinct businesses full of artisan bakers, cheesemakers, chefs, candy makers and coffee roasters.

## ZINGERMAN'S GIFT CARDS

Here's a way to get the team together from afar: send everyone a gift card, and give them a deadline to buy themselves some food with it. Then plan a date for the crew to gather on a video call and share in the feast, all from home. Gift cards are available in any amount, good at any Zingerman's business. Mailed or electronic.
